

Excel Creating Org Charts Tip

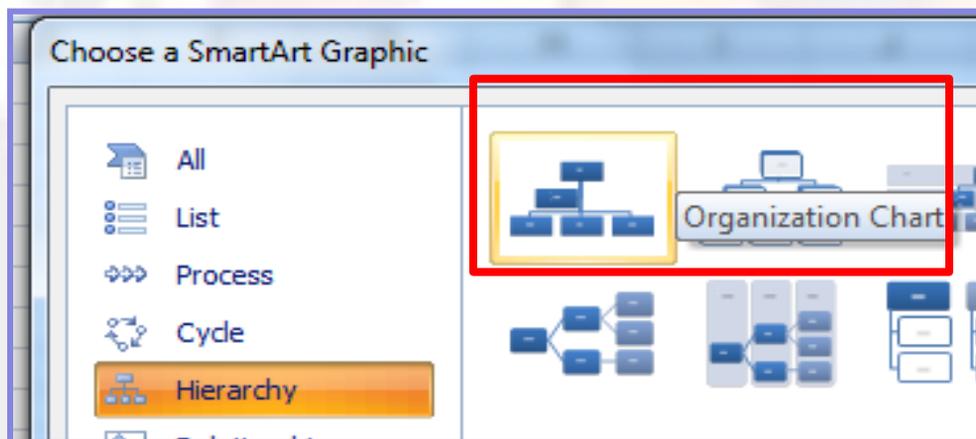

Who says you have to use PowerPoint to create organization charts? You can easily insert a variety of diagrams such as Organization Charts in Excel.

To start, click the Insert tab on the Ribbon and then click on **SmartArt** in the Illustrations group.

Next select the type of diagram that you would like to insert.

For an organization chart, click **Hierarchy**, click the leftmost icon in the top row, then click the **OK** button.
